

DECLARATION

As below named inventors, we, STEVEN D. GRAY and TIM J. COFFY, hereby declare that:

Our residences, mailing addresses and citizenships are as stated below next to our names.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed and for which a patent is sought on the invention, design or discovery entitled: ZIEGLER-NATTA CATALYST FOR TUNING MWD OF POLYOLEFIN, METHOD OF USING AND POLYOLEFINS MADE THEREWITH, the specification of which is being filed concurrently. This application is a divisional of U.S. Application Serial No 09/687,378, filed October 13, 2000, which was a Continuation in Part of U.S. Application Serial No. 08/789,862, filed January 28, 1997 (U.S. Patent 6,174,971).

We have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

We do not know and do not believe that said invention, design or discovery was ever known or used in the United States of America before our invention or discovery thereof, or patented or described in any printed publication in any country before our invention or discovery thereof, or more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application; that said invention, design or discovery has not been patented or made the subject of an inventor's certificate issued prior to the date of this application in any country foreign to the United States of America on an application filed by our or my legal representatives or assigns.

We acknowledge our duty to disclose information of which we are aware which is material to patentability in accordance with 37 C.F.R. Section 1.56(a).

We hereby claim foreign priority benefits under 35 U.S.C. Section 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign applications(s) for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
